

PET DETECTIVES

The title 'PET DETECTIVES' is written in a bold, black, hand-drawn font. The word 'PET' is enclosed within a black magnifying glass icon. To the right of the text are several colorful paw prints in shades of purple, pink, and green. To the left, a blue heart is partially visible, and a black magnifying glass handle extends from the 'PET' circle.

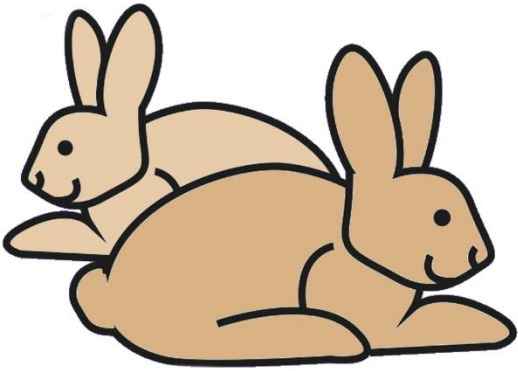

'Animal Welfare' or 'Animal Happiness' is a bit like a five piece puzzle with each piece representing a need that's important to the happiness of your pet. Your first task as a pet detective is to find the pieces of the puzzle and correctly label them.

Find 5 facts about dog welfare and match them up with the correct need.

A large heart shape divided into five interlocking puzzle pieces. Each piece contains an icon representing a different aspect of animal welfare. The pieces are: a purple piece with a bowl of food and a paw print; a green piece with a doghouse; a pink piece with a bandage; a cyan piece with grooming tools (brush, comb, nail clippers); and a yellow piece with three rabbits (one white, two brown). Surrounding the heart are five colorful, textured shapes: a green one at the top, a cyan one on the right, a yellow one at the bottom right, a pink one at the bottom left, and a purple one on the left. Arrows point from each of these shapes towards the corresponding puzzle piece.

Find 5 facts about Rabbit welfare and match them up with the correct need.
